CONTRACT FOR AMATEUR CONSTRUCTION of 1(one)  
JURCA MJ-\_\_\_\_ AIRCRAFT.

Before receipt of set of plans/drawings, this contract should be completed, signed, and returned with bank check or money order for \$\_\_\_\_\_ to:

Jurca Plans West  
Pamela laquinto  
1064 Haven St.  
Mt Morris, MI  
48458.  
Telephone number  
810-686-3948

I, the undersigned, (name) \_\_\_\_\_ Telephone # \_\_\_\_\_,  
(occupation) \_\_\_\_\_, of (address) \_\_\_\_\_,  
Email \_\_\_\_\_, an amateur builder, hereby request to be sent one  
complete set of plans for the construction of 1 (one) JURCA MJ-\_\_\_\_ aircraft, and will  
adhere to the following conditions.

- 1.) The set of drawings I receive shall remain the property of Monique Heit or her designated appointee, Pamela laquinto. What is implied is that the fee charged is a license fee only to construct a single aircraft from the plans/drawings. These plans/drawings shall remain with the aircraft throughout the life of the aircraft, inclusive of any change of ownership of the aircraft. Sale of these plans/drawings is prohibited without the express written consent of Monique Heit or her designated appointees. These plans/drawings fall under the protection of international copyright and patent law.
- 2.) These plans/drawings shall be used for the construction/reproduction of 1 (one) JURCA MJ-\_\_\_\_ aircraft, and are not intended for the commercial manufacture of said aircraft.
- 3.) The aircraft will be constructed in accordance with accepted aircraft construction practices and processes, and will rigidly conform to the plans/drawings with respect to materials used in construction, quality, and listed specifications. Weight and balance to be within plan specifications. In addition, no modification of construction or plans/drawings will be made during construction of the aircraft without the express written consent of Monique Heit or her designated appointee. Construction work is to be accomplished in accordance with applicable current regulations. (U.L.A.A., D.O.T., C.A.A., F.A.A., ect.)
- 4.) The aircraft shall be clearly marked MJ-\_\_\_\_, and serial numbered corresponding to plan/drawing set number, on the exterior of the rudder.
- 5.) Test flights to be conducted by a qualified pilot.
- 6.) Monique Heit / Pamela laquinto reserves the right to visit the aircraft during Construction and after completion in accordance with applicable regulatory agencies. (U.L.A.A., D.O.T., C.A.A., F.A.A., ect.)
- 7.) Any modifications or improvements occurred during the construction on the Aircraft, or ground adjustments, of flight adjustments, shall not modify this contract and would automatically integrate into the standards of construction without counterpart.
